(Corporate Slogan)

ABOUT COMPANY

SPC Samlip is a comprehensive food corporation in Korea with a half-century history and tradition. Since it was founded in 1945, SPC Samlip has been growing to become a consumer-friendly food corporation in line with national dietary improvements. SPC Samlip is fully committed to providing top-quality products and services based on its 78 years of experience and technologies.

MAJOR BUSINESS AREAS

1. Comprehensive food business

SPC Samlip is becoming a global comprehensive food company with the best quality, customer-centered, and creative challenges. Based on the capabilities of Korea's No. 1 bakery company, we are upgrading our baking business and fostering food businesses such as meat processing and HMR as new growth engines.

2. A store business

We operate the rice cake franchise brand "BIZEUN" and the in-store bakery brand "BAKERY FACTORY". Reflecting the changing lifestyle and consumption trends, we operate the fine casual snacking store "City Deli" and the original egg sandwich "Egg Slut" from LA in Korea.

SPC Samlip exports bread, Yakgwa, Rice cake, HMR, etc., and attracts the tastes of various countries such as the United States, Europe, China, and Southeast Asia.

History of SAMSLIP

1945~1979

THE BEGINNING, SANG MI DANG

Started from a small bakery shop, SAMSLIP industry bakery company.

1981~1988

SAMSLIP, PEOPLE'S BREAD

Chung-ju factory for ice cream and bread. Mega hit products, creamy bread and Hopang official supplier for 86,88 Olympic.

1989~1999

DIVERSIFY INTO GENERAL FOOD

Established Dae-gu factory for bread
Established Si-hwa factory for bread
Started manufacturing general food.

2015~

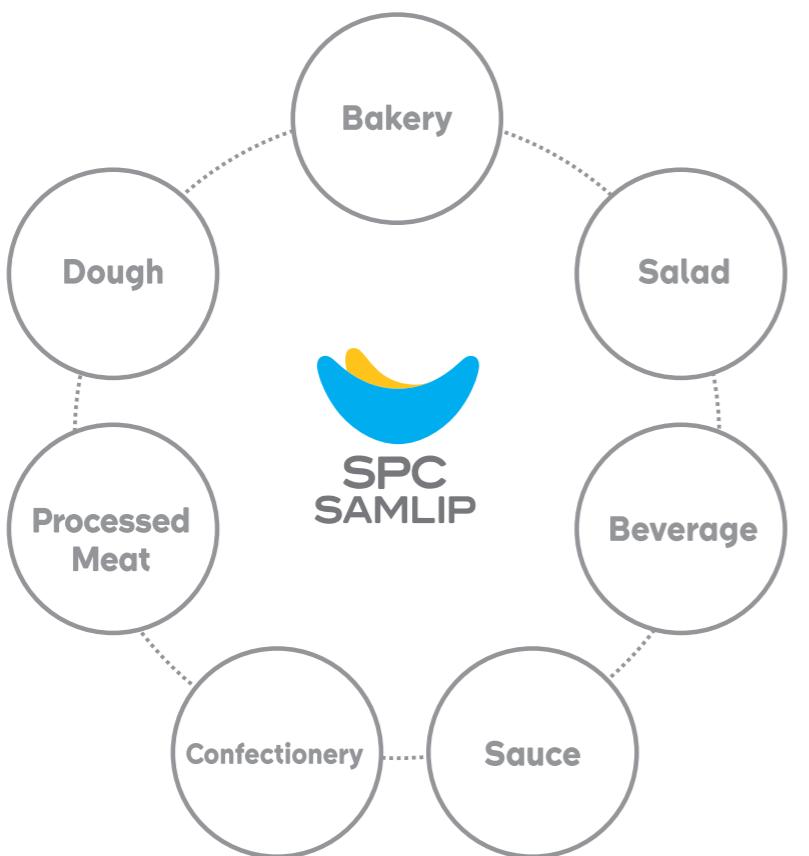

SPC GLOBALIZATION

Certified with HACCP, ISO 22000, FSSC 22000 and Halal, SAMSLIP is developing global market.

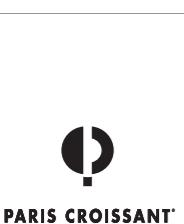

2000~2014

CORE BIZ FOR SPC GROUP

With family brands acquisition, SAMSLIP is center positioned in SPC group available for collaboration with good brands.

Starting from a small bakery shop, SANG MI DANG, SPC SAMLIP has been rapidly grown up as No.1 Bakery Company with over 11 manufacturing site and 78 years history with a good reputation in Korea.

BAKERY

HOPANG

Various aspects of Hopang with its numbers

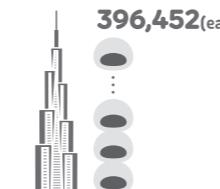

Sales volume since launch(billion)

6.5 billion

Hopang, launched in 1971, has been a representative Korean winter snack for more than 50 years.

Since its launch date, about 6.5 billion of Hopang have been sold.
(Based on data from 1971-2022 December)

Enough to rotate about 16 times of the earth if the cumulative sales of Hopang stands in a line.
Enough to build about 400,000 ea of Burj Khalifa, the tallest building in the world with the cumulative sales of Hopang
